## LEAVE FOR CHICAGO

Farewell Party Given by Mrs.  
E. Higginson.

MRS POWELL AND O.S.S.C.

Wedding Anniversary of Mr.  
and Mrs. Wilson.

Tuesday evening Mr. and Mrs. E. Higginson entertained at a 7 o'clock dinner in honor of Mrs. Higginson's sister, Mrs. May Glover-Mitchell, who has been spending the winter in Wichita. The party and dining room were brightly lit with a variety of spring flowers and Dueschene of Albany roses. Covers were laid for twenty-six. At each place was a name card containing a familiar quotation, the author of which every guest was expected to name at sight, only five of the number, however, being given correctly. After thoroughly enjoying the tempting menu provided by the hostess, and served to the guests most graciously by Miss Glover of Chicago, and Mr. Charles Higginson, the evening was spent socially. Some violin solos by Mr. Charles Higginson were much appreciated, and also a beautiful vocal selection, "Good Bye, Sweet Day," rendered by Mrs. Finlay Ross. Mrs. Mitchell accompanied by her niece, Miss Glover, left Thursday morning for Chicago. The invited guests were Mr. and Mrs. Finlay Ross, Mr. and Mrs. Robert Lawrence, Mr. and Mrs. S. A. ## UNCLE JIMMY POTTS QUILTS

**The Veteran Court House Engineer Kindly Remembered.**  
Uncle Jimmie Potts, the faithful engineer at the court house for more than ten years past, has tendered his resignation to the county commissioners, and served his last day yesterday. The closing event of his faithful service was marked by the kindly act of the court officials, who yesterday presented him and Mrs. Potts an elegant rocking chair each. Mrs. Potts chair was a fine plush rocker of the latest style. Just before Judge Dale opened the afternoon session of court yesterday he ordered the court bailiff to go over to the jail and bring Mr. Potts into the court room, and to bring the prisoners by 5 o'clock if necessary. The bailiff brought Mr. Potts in and faced him before Judge Dale, where Uncle Jimmie doubtless expected to get a pretty severe sentence, for he looked guilty.

"Uncle Jimmie," said Judge Dale, "you have been with us a long while, and have been true and trustworthy. You have made a marvelous record in the discharge of duty, and it is time you were taking a rest. Your children have tried to get you and your wife to go and live with them and enjoy the rest of your days in quietude and joy, but you have continued faithfully at your post of duty insisting on earning your own way. For nearly eleven years you have worked for the county, and during that time you have worked Sundays, holidays and extra hours for the benefit of those who labor here. You have worked 40 days more than the law required during that time, and now we think you need a well deserved rest. And that you may enjoy that rest the more, we want to present to you this rocking chair; and that you may still enjoy the rest in the company of your beloved wife, we also desire to present to her this plush rocker, and hope that the reminder of your lives may find sweet comfort in them."

"Uncle Jimmie" was very nearly overcome by the tender words of Judge Dale, but he managed to thank the donors from the bottom of his heart. About the time he was through Judge Dale interrupted him and surprised him again by handing him a box of cigars, the gift of Sheriff Simmons. The only response "Uncle Jimmie" could make was, "Oh! Mr. Simmons."

## WILL IMPROVE BUILDING

**Mr. McKinney Refuses Good Offers for His Purchase.**  
Mr. McKinney, of the Rock Island Book Exchange, who recently purchased the north 90 feet of the Bayless block, has received a number of flattering offers for his bargain, but has decided that Wichita property is not a bad thing to own. Mr. McKinney is going to make extensive improvements in his flat, making important changes, with new paper and paint, make them among the most attractive flats in the city.

Word was received here this week announcing the marriage of Mr. Charles L. Busby, formerly of this city, to Miss Maudie Mink, of St. Louis, April 12, 1899.

## NEED MORE ROOM

All Hallows Academy to be  
Enlarged Soon.

WILL EXPEND THOUSANDS

Many Modern Conveniences  
Will Also Be Added.

The Sisters in control of All Hallows Academy have decided to enlarge the building to great dimensions, requiring an outlay of thousands of dollars. Among the new additions to the building will be a new and handsome dormitory and other large additions to the main building will be made. It is understood that the plans are already being drawn by an architect. Some of the improvements under consideration at the present time will be made immediately, but the more extensive ones will not be commenced before the end of the year. Then immense buildings will be erected on the college grounds which will more than double the size of the present building and add much to the beauty of the academy. The improvements that will be built right away are almost a necessity, owing to the growth of this popular institution of learning. The academy has been crowded all year, and the attendance is increasing rapidly, so that it became impossible for the present building to accommodate the students who desired to enter this year. The Sisters have been conferring a great deal of late with Father Tihen with regard to the new arrangements, and Father Tihen said last night that they had decided to commence upon the new improvements right away. The entire building will be remodeled and modern conveniences will be put in throughout, including a splendid system of hot water heating. The grounds will be beautified and every possible convenience has been planned for the benefit of the students.

All Hallows Academy is one of the most popular institutions of learning in Kansas. It is wholly under the supervision of the Catholic Sisters, who are among the best educated people of the world. The influence and surroundings of this school are so pure, and the educational facilities so rare, that it is destined to become one among the highest and most worthy institutions of its kind in the state. All the academy desires to need is better conveniences and more room, and the friends of the school will be pleased to learn that these arrangements have finally been decided on.

## KANSAS EDITORS IN CITY

Rival Politicians Rob-Nob Together

Friday afternoon there were some very prominent visitors at the Union stock yards in the city, and they were made welcome by the commission firms and yard officials. The strange feature and unique one of this visit was the fact that one of the gentlemen was editor of a leading Populist newspaper in Pratt county and the other was an equally well-known editor of a local Republican newspaper in the same city, and both had come to town together, arm-in-arm, and the best of chums in Wichita, while fighting each other in their home town.

S. P. Gelhart of Pratt was the fustian journalist and J. K. Cochran the Republican champion. They visited the yards and took in the city in charge of the old-time stock expert, Mr. Frank Stock, and left together for the east on a late train. They report all conditions—live stock, agriculture and commercial—in the best of shape in their end of the state.

Ex-Congressman Mason Peters was also a caller at the yards the same day. He says he has left the field of politics and will henceforth be engaged in the commission business.

Mr. H. F. Williamson, ex-sheriff of Pratt county, accompanied the editorial pair. Mr. Williamson is one of the regular shippers on this market.

J. C. Watson  
Makes an Appeal.

To the Editor of the Eagle:  
Citizens of Wichita—I appeal to you for aid for the Wichita Refuge home, as they are in need of money, clothes and bedding for the home. They owe a small sum yet on the building. They are doing a work which is not surpassed by any institution in the state, but a certain part of the people will not aid them in any way, because it is to aid fallen women to try and regain their lost name and be placed in such a position as to earn an honest living. One soul is good as another when saved. Send in your donations to Mrs. N. B. Bennett, 104 North Wichita street, who will see the superintendent gets it; and if you are those who help them, when he will surely see they do not need to refuse shelter to women striving and willing to do right. Do this in His name.

## WINE OF CARDUI

### The Link that Binds.

JACKSON, TENN., Nov. 25.  
I was subject to miscarriage for three years, and suffered constantly with backache. I wrote to you for advice, and after using three bottles of Wine of Cardui, according to your directions, I am strong and well, and the mother of a fine girl baby.  
Mrs. E. N. JOWERS.

## Wine of Cardui

There is no use talking—a baby in the house is the link that binds husband and wife together. Nothing is sadder than fruitless wedlock. The prattling and cooing of the little one offsets a thousand times the occasional worries and trials of life. When a wife is barren, there is a derangement somewhere in the genital organs, caused by one or more of those common disorders known as "female troubles". Wine of Cardui is the remedy. It puts the organs of generation in a strong and healthy condition, fitting the wife for the sacred duty of reproducing her kind. During the period of gestation the entire system of the expectant mother is built up to withstand the ordeal of labor, and when the little one makes its advent it is lusty and strong, well-fitted to grow to maturity in perfect health. The mother, too, passes through the trial with little pain and no dread. Wine of Cardui is truly a wonderful medicine for women.

Large Bottles for \$1.00 at Druggists.
